CAREER OBJECTIVE

Motivated and technically skilled Computer Engineering professional with a completed Diploma in Computer Engineering and currently pursuing a B.Sc. in Computer Science & Engineering (CSE). Looking for a challenging position in a dynamic organization where I can apply my problem-solving abilities, technical knowledge, and communication skills to contribute to organizational success while continuously developing my professional expertise.

TECHNICAL SKILLS

- **Programming Languages:** C | C++ | Python | Assembly Language(Basic)
- **Data Analysis Libraries:** Pandas
- **Tools & Platforms:** GitHub | VS Code | Code::Blocks | Kaggle | Google Colab | Jupyter Notebook | AnyDesk
- **Problem Solving:** Regular practice on LeetCode — focused on algorithms, data structures, and logical reasoning
- **Others:** Microsoft Office | Adobe Photoshop & Illustrator | HTML5 | CSS3 | Operating System | Computer Network
- **Soft Skills:** Analytical Thinking | Curiosity to Learn | Team Collaboration | Time Management | Work Under Pressure

CERTIFICATIONS

AI+ Prompt Engineer™: Level 1 Certification — AI CERTs™

Jun 2025 – Jul 2025

Successfully completed under a strict AI-proctored environment, gaining hands-on experience in prompt engineering, generative AI concepts, and advanced prompting strategies. Strengthened the ability to craft effective AI-driven solutions and communicate efficiently with large language models.

Kickstart Your Coding Journey: C++ Bootcamp — Phitron, Programming Hero

Feb 2025 – Mar 2025

Completed an intensive bootcamp focused on mastering C++ programming fundamentals, data structures, and algorithmic problem-solving. Gained strong logical reasoning, code optimization, and debugging skills through hands-on practice and competitive coding exercises.

Spoken English Course — Dhaka International University (DIU)

Oct 2024 – Dec 2024

A comprehensive course focused on developing English fluency, accurate pronunciation, and effective business communication skills. Improved confidence in spoken and written English through interactive sessions and practical conversation exercises.

Web Development — National Engineering Development Ltd. (NEDL), Gazipur

Aug 2023 – Oct 2023

The course provided hands-on experience with modern web technologies and real-life development projects, focusing on both frontend and backend skills.

Professional Graphic Design — Jessore IT Institute, Jessore

Feb 2021 – Jul 2021

The course offered extensive hands-on experience, allowing participants to work with industry-standard design tools and engage in real-life creative projects that closely simulate professional workflows.

PROJECT

Fake News Detection Model (Team Project)

- Collaborated with a team to develop an AI model classifying real news, fake news, and general statements, achieving 93% accuracy.
- Contributed to data collection, cleaning, and preprocessing for a customized dataset.
- Gained practical experience in model training, evaluation, and teamwork in AI development.

- Developed a console-based electronic voting system in C++ using object-oriented programming (inheritance, encapsulation, friend functions).
- Implemented file-based storage for voters, candidates, and votes, with separate voter and admin panels.
- Successfully gained hands-on experience in C++ programming, STL containers, file I/O, and application workflow design

EDUCATION

BSc in Computer Science and Engineering (CSE)

2024 - Running

Dhaka International University, Dhaka

Group: Computer Science & Engineering

CGPA 3.67 on a scale of 4.00

Diploma in Engineering

2019 - 2023

Jessore Polytechnic Institute, Jessore

Group: Computer Technology

CGPA 3.55 on a scale of 4.00

Secondary School Certificate Examination (SSC)

2014 - 2019

Nilphamari Govt. High School, Nilphamari

Group: Science

GPA 4.44 on a scale of 5.00

PERSONAL INFORMATION

Full Name : Md. Shafaul Islam
Father's Name : Md. Robiul Islam
Mother's Name : Most. Shafaly Begum
Date of Birth : 03 June 2002
Marital Status : Unmarried
Gender : Male
Religion : Islam
Nationality : Bangladeshi
NID Number : 4225752510
Height (Meter) : 1.67
Weight (KG) : 65
Blood Group : B+
Present Address : Uttor Badda, Dhaka-1212
Permanent Address : Dangapara, Darowani Textile, Nilphamari

LANGUAGE

Bengali (Native)

English (Fluent)

Urdu (Conversational)
